Application for Admission

YOU MUST CALL TO BOOK YOUR ASSESSMENT AFTER YOU SEND IN THIS APPLICATION

Failure to comply with the following rules and regulations may result in admission being delayed or cancelled

	Accessment & Admission Information					
	Assessment & Admission Information					
Assessment & Assessment Fee Call 403-245-9050	When you send in your application, please phone Aventa to book an assessment. You will need to pay the \$40 assessment fee before your assessment appointment. We accept Cash, Debit, e-Transfers, VISA, Mastercard, Bank Drafts, and Money Orders. We do not accept personal cheques. If a third party has agreed to pay this fee, Aventa requires confirmation of the information for invoice purposes. Please have the third party contact Aventa with their written agreement prior to your appointment. Aventa Staff can provide support options while Clients wait for treatment.					
Confirmation of Treatment Call 403-245-9050	Once you are booked for treatment, you will be given a confirmation date 1 week prior to your admission. Please contact Aventa on this date before 4:00 pm to confirm your date of admission (a phone message is acceptable). If you do not confirm, your bed may be given to another Client.					
Treatment Hours	Treatment groups run 6 days/week. All Clients are required to attend 12 Step meetings on Sundays.					
Abstinence Prior to Treatment /To be Determined with Aventa staff dependent on drugs consumed	You must stop gambling and using alcohol and drugs, including restricted medications, for a minimum of 10 days before your admission. You must also pass a drug and alcohol screen, so we recommend you abstain for as long as necessary to clear all substances from your system. If you need help to stop using drugs and alcohol or gambling prior to your admission, let us know and we will help you with a referral. It is a good idea to talk to your doctor about your plan to stop using drugs and alcohol, in case you experience withdrawal symptoms.					
Abstinence During Treatment	All Clients must refrain from gambling and using drugs and alcohol during treatment, and avoid licensed/gambling facilities. If you use drugs, including restricted medications, alcohol or gamble during treatment, you will be discharged immediately. Drug and alcohol screening will be required at the time of admission and anytime during treatment, at the discretion of Staff.					
Prescription and Non Prescription (Over the Counter) Medications	All medications, vitamins, and supplements must be approved by your doctor prior to admission by completing the attached Pre-Admission Medical, and submitted 2 weeks prior to your admission date. Medications must be in their original packaging with original labels, and match your Pre-Admission Medical.					
Team Communication	Open communication occurs between all Aventa Counsellors, clinical practicum students and supervisors. Aventa strictly upholds Client confidentiality outside of the agency.					

Visitation Hours	Visiting hours are on Saturdays and visitors must be approved in advance by your Counsellor. You will not be able to have visitors on your first weekend in treatment.			
Appointments	All appointments must be pre-approved by your Counsellor and are at Aventa's discretion. Please try to take care of all appointments before treatment.			
Smoke-Free/Scent Free Centre	Smoking is only allowed outside and at designated times only. Counsellors and Medical Staff can provide assistance to Clients who want to quit smoking. Wearing perfumes/ scents is not allowed.			
Phone Contact	Phone messages are not accepted. Clients have limited access to telephones. Long distance alls require a phone card. Cell phones are NOT permitted. Please do NOT bring them to reatment.			
Fees for Treatment	Payment is due prior to admission. Aventa is a Funded Service of Alberta Health Services (AHS); treatment program fees are covered through Alberta Health Services, but AHS does not provide funding for room and board fees. Room and board fees for Clients on income assistance is funded through Alberta Works. If you are not covered by Alberta Works, AISH, or your Employee Assistance Program (EAP), you will be required to pay the room and board fee at a rate of \$50.00 per day. Refunds are provided under exceptional circumstances as approved by the Executive Director. Additional funding partners include Child and Family Services and Calgary Fetal Alcohol Network. Young Adult Treatments program assessments are managed accessed through Alberta Health Services Addiction and Mental Health contact your local AHS Addictions Services office. Please speak with Aventa's Admissions Counsellor as you may qualify under these funding opportunities. Please note that when you apply for programs and services at Aventa, your name and demographic information will be shared with the applicable Alberta Government funding partner for statistical purposes. Employee Assistance Programs - If you have coverage through your Employee Assistance Program your fees may be covered through your plan. Please disclose this information during the assessment so we can start the process as soon as possible. Self-Pay - Please speak with our Assessments Department.			
Transportation	Clients are responsible for arranging and paying for their transportation costs in order to attend Aventa, as well as throughout treatment. Please do not bring your vehicle as parking is not available.			
Electronics	No electronic devices (i.e. iPads, tablets, cell phones, laptops, gaming devices, etc.) are permitted in the building. Clients will have access to laptop computers once each week for business purposes.

Attention Referring Physicians

Aventa is a residential addiction treatment facility for women. Clients attend a minimum of 6 weeks of treatment. We require that the attached medical form be completed prior to treatment **preferably by the Client's primary care physician.**

Please complete the form with as much detail as possible including **all prescribed and over the counter medications** that you are recommending your client take while in treatment.

Medical checklist:

- All medications must be listed and approved by the physician prior to treatment. If there are any changes prior to coming into treatment, a new form must be completed or an amendment made to the initial form and signed by the original MD.
- We require clients to be stabilized on their medications when they begin treatment. We request that any necessary adjustments are made 2-4 weeks prior to treatment.
- Please review the restricted medications list (attached).
- All medications must be in their original packaging. Medications should not be blister-packed with the exception of Seroquel.

Feel free to contact us at 403-245-9050 with any questions or concerns.

RESTRICTED MEDICATIONS Information for Clients and Their Doctors

Clients are not permitted to take the following medications while in treatment at Aventa. If the Client is on a restricted medication, please include their tapering plan and your estimated last date of use. **Clients are required to be stable on their medications** with no medication changes (reduction, increases or additions) for a minimum of 2 weeks before admission to ensure medical stability. The last date of use will help determine when they will be clear for drug screening and admission into treatment.

- Benzodiazepines e.g. Valium, Ativan (Lorazepam), Rivotril (Clonazepam), Serax, etc.
- Sedatives or Sleeping medications e.g. Chloral Hydrate, Ethchlorvynol, Glutethimide, Methyprylone, Imovane (Zopiclone)
- Barbiturates e.g. Phenobarbital, Seconal Barbiturate-like medications e.g. Meprobamate
- Amphetamines e.g. Ritalin, Dexedrine, Benzedrine, Vyvanse, Concerta
- Diet pills e.g. Ephedrine
- Antihistamines e.g. Diphenhydramine (Benadryl)
- Decongestants e.g. Pseudoephedrine
- Anti-cough medications e.g. Dextromethorphan
- Gravol (Dimenhydrinate)
- Narcotics e.g. pain killers with codeine, such as Tylenol #1, 2 & 3
- Muscle relaxants e.g. Cyclobenzoprine, Flexeril, Robaxicet
- Laxatives, stool softeners, and other bowel care products.
- Medications containing alcohol
- Mouthwash containing alcohol
- THC (Marijuana), Nabilone (Synthetic Marijuana)
- Opiates (Morphine, Oxycodone, Percocet, Fentanyl, etc.)

Although Aventa does allow Methadone and Suboxone for treatment purposes, we do not carry it on-site at Aventa; all dispensing is done through Shoppers Drug Mart at 2412 – 4 Street SW, Calgary, Alberta.

Feel free to contact us at 403-245-9050 with any questions or concerns.

Physician's Stamp/Initial				

^{*}Analgesics (Tylenol/Aspirin) except for extenuating circumstances (severe arthritis, etc.) to be discussed with Aventa Medical Staff.

COMMUNITY RESOURCES

While you are waiting for your treatment date at Aventa the following resources may be helpful.

Aventa's Family and Friends

Family and Friends is a three part information series for all family members, significant others and supportive friends of current and previous Clients, as well as those who did not graduate or are on the waitlist to attend treatment. Workshops run twice per month on Wednesday evenings, as well as one Saturday workshop 4 times per year. All participants must register with Aventa's Family Counsellor by calling (403) 245-9050.

211 Alberta. You can dial 2-1-1 to speak to an Information & Referral Specialist, or search the online community resource directory http://www.ab.211.ca/

Addiction Helpline <u>1-866-332-2322</u> The Addiction Helpline is a toll free confidential service which provides alcohol, tobacco, other drugs and problem gambling support, information and referral to services. The Addiction Helpline operates 24/7 and is available to all Albertans.

Health Link Call Health Link by dialing 8-1-1 for quick and easy advice from a registered nurse 24/7. They will ask questions, assess symptoms and determine the best care for you.

OVERDOSE - Reduce Your Risk

Fentanyl may be 100 times more toxic than morphine, heroin, or oxycodone. Even small amounts can result in overdose and it can be found in other drugs without you knowing.

If you're going to use:

- don't use fentanyl, or any other drug, while alone
- start using in small amounts
- do 'test shots' (or test doses:
- don't mix drugs
- avoid speedballing
- always carry a Naloxone Kit
- call 9-1-1 if you or someone suspects a person is experiencing an overdose. Calling for help can save a life!
