Aventa
Addiction Treatment for Women

My Comments on Aventa's program and my experience with them:

Your testimonials are vital in helping other women who may be struggling with an addiction seek help. Your testimonial also educates the public about addictions and about the services available to women. If you would NOT like your testimonial to be used in Aventa publications, please check mark the box below. Note that only first names will be used. Testimonials not used in publications will be used as feedback to Aventa staff, to help improve our programs. Thank you.

I came crawling in, now Im flying out!

I came here broken, vunrable and scared. I fought to the best of my ability at first not to open up, and then it came.. I turned myself and all the pain over to you. Im glad I did, now I can look in the mirror and like who I see. This program will change your life if your ready, even if you think your not, you owe it to yourself to try. You'll be Suprised at what you find.

Thank you Aventa [redacted]

Aventa is the place where I found sobriety, from the uniform beds to the program. I truly enjoyed life graph, collage, mother letter, father letter and family dinamics, and meditation internal violence, along with yoga and sexuality I have truly face my demons with an open heart in group, & journaling [redacted]

I am more than happy to say that aventa is a great place to start Recovery, I would most deffinatly come Back here god forbid something happens. It's a great program, I've learned so much and am now alot more open minded than I was prior to coming here. Im looking ferward to see what all I can get out of the phase 3 house.

I loved the program here @ Aventa, the councillors as well as the residental staff are wonderful. I came in here angry and court ordered, I'm walking out a new person, clean and healthy and happy. I am going to recomend Aventa to the courts for other addicted women in option of jail. my councillor Elizabeth has been so helpful & supportive for me. Thank you I'm a New Women.
